## Referring Doctors...

- Did you know that you can request internet access to radiographs and photos for any of our mutual patients?
  - Simply call 287-0746 to add specific patients to your provider profile. You will then have access to these patients' records through the "Doctor Login" section of our website @ [www.corylissortho.ca](http://www.corylissortho.ca).
  - You may also wish to direct patients to our website for general orthodontic information.
  - We reserve 60-90 minutes for our initial orthodontic examinations. We are a non-assignment practice. However we will assist patients in seeking insurance reimbursement.
  - We offer a complimentary panorex film and a series of intra and extra-oral digital photographs.
  - For the convenience of our Airdrie and rural families, we operate a satellite practice in Airdrie on selected Mondays.
